## Notes

Hello, we usually only repair odometer for mustang, in your case since the issue is with the gauges, therefore we have to do a diagnostic first to determined which parts need to be replaced. Since we do not always stock parts for these older models please allow us some time to order the parts.

Thank you!

## Terms

We do expect payment within 21 days, so please process this invoice within that time. There will be a 1.5% interest charge per month on late invoices.
